

THE MAGIC PARTIES FACULTY PRESENTS

Girls Night Out!

CONVERSATIONS THAT MATTER

How often do you take time for yourself? Most women have no time to get everything done in a day, never mind have time to take care of themselves. We are so busy taking care of our kids, our homes, our husbands, and our careers; we forget how important it is to take care of our own needs and do something for ourselves.

Join us once a month for an “open to the community” Girls Night Out, having inspiring and heartfelt conversations about topics that women care most about, relationships, career, health, becoming the best you can be, and more.

Our Magic Parties Faculty panel will immerse you in an experience of our special brand of sisterhood, spirit and a little chocolate as we make connections and have meaningful conversation with other like minded women.

If you are passionate about life and committed to your own personal growth and development...

If you could really use a fun Girls Night Out....Come and bring a girlfriend with you!
